

REQUIREMENTS FOR RENEWAL OF LICENSE

Section 601 - Licensees must continue professional practices including:

- a. Updating and distributing copies of their code of professional ethics to their clients; and
- b. Updating and distributing copies of their informed consent forms and requiring all clients to sign and date an informed consent form prior to receiving any naturopathic interventions; and
- c. Maintaining signed copies of informed consent forms in their client files for at least seven years after termination of naturopathy interventions and services; and
- d. Continuing to practice the professional conduct described in these regulations; and
- e. Continuing to guarantee client safety by following the standards set forth in these regulations.

Section 602 - Licensees must continue their naturopathy education:

- a. To renew their naturopathy license, licensees must complete twenty clock hours of instruction through classroom, Internet or correspondence courses, workshops, seminars, conferences or individual instruction; and
- b. The instruction described and required in Section 602a must be in anatomy or biology, aromatherapy, biofeedback, clinical skills, coaching, ethics, energy healing, energy medicine, homeopathy, naturopathy, nutrition, professional conduct, reflexology or any condition, disease or disorder for which naturopathy may be a viable intervention; and
- c. Of the twenty-hour requirement, up to ten hours may be earned for instructing or supervising one or more naturopathy interns for a minimum of twenty-clock hours; or
- d. The ten hour option described in Section 602c of these regulations may be satisfied by instructing groups of Licensed Traditional Naturopaths for a minimum of twenty hours; or
- e. The ten hour option described in Section 602c of these regulations may be satisfied by courses, workshops, seminars and conferences used to satisfy licensing renewal requirements for any other health care license; or
- f. The ten hour option described in Section 602c of these regulations may be satisfied by any courses, workshops, seminars and conferences taken to improve licensee's business practices and skills.
